General Meeting

Meeting Opened	8pm
-----------------------	-----

Attendance:	Paul Nicholson (PN), Paul Vandeleur, Emily Stott, Yen Phan, Jennifer Stephenson, Carmen Yang, Aeron Caulfield, Colin Lua, Matt Davis, Valda van Dyk, Belinda Shearer, Charlie Powell, Lucinda Frantz
Apologies:	Sean Moran (SM), Melissa Munn, Symone Archer, Roz Akayan

PN Welcome to new members

Minutes

Move to accept the Minutes of General Meeting 8 August 2019

Proposed	Paul Nicholson
Seconded	Paul Vandeleur
Carried	Yes

Correspondence

- P and C Magazine
- Westpac
- Email documents via SM about increases to voluntary contributions – limited to 0.5% each year (increases must be made yearly)

Noted by PN that members can pay their voluntary contributions directly into the Building Fund instead of Admin Fund to receive tax deductions.

New Business

PN opened a discuss about the focus of P&C funding for 2020. SM suggested funding for either a classroom support teacher, a new classroom teacher or an instructional leader with the aim of helping those students in the middle band achieve greater academic results.

- PN consulted with Jeremy who advised there is approx. \$100,000 of P&C funding that could potentially be contributed to this.
- PV suggests SM present these options to the parent body so they can understand better where their contributions are going and then meet again regarding allocation of funds.
- Jen S suggests that fundraising goals must be communicated more regularly to the parent body so that they can see what their money is going towards.
- PN and PV to meet with SM to form a proposal.

Ongoing business

PN addressed the delay in installation of new playground equipment.

- Project manager has been replaced causing the delay in getting started.
- SM is hopeful that work will commence in the Summer holidays.
- P&C funds have already been contributed to this project.

ROSEVILLE PUBLIC SCHOOL
P & C Minutes
Annual General Meeting/ General Meeting 21 Nov 2019

- Lucinda suggests reminding parents that new equipment is on it's way and thanking them for their contributions to purchasing the new equipment (will help to motivate them to pay voluntary contributions!)

Motion to accept the budget

Proposed	Paul Vandeleur
Seconded	Matt Davis
Carried	Yes

Reports (attached)

Principal – Submitted and read by Ms. Lane

Band report – Belinda Shearer

Canteen report – Paul V and Yen Phan

Clothing Pool update – Jen Stephenson

Post Fair report – Submitted by Roz Akayan

Dates for P&C meetings 2020

Term 1 – Thursday 5 March (includes Parent Information Evening)

Term 2 – Thursday 4 June

Term 3 – Thursday 20 August

Term 4 – Thursday 19 November (AGM and General Meeting)

Meeting closed	9pm

2019 AGM P&C President's report

It is my great privilege to welcome everyone to the 2019 AGM and Xmas drinks. 2020 is rapidly approaching.

2019 has been a typically busy P&C year. Thank you to all the people who give their valuable time to the P&C activities, always with smiles on their faces!

Thanks to RPS staff, P&C Subcommittees, volunteers and employees, year groups, class parents.

I have enjoyed this first year of P&C presidency immensely, primarily because the committee and sub-committee members are so good at what they do, even if it's in their spare time.

Achievements This year's events, all successful in their own way

- Welcome picnic
- Grand opening of cricket nets
- Mothers/Father's day breakfasts
- 2 elections (how do people eat so many sausages?!)
- Band events
- Readathon
- Spring Fair
- Year 6 committee
- Highlander Shield
- New canteen staff member

Goals – Previous P&C committees have thoroughly excelled in bringing the schools grounds bang up to date, with the school we are now focusing on supporting our teachers in the classroom with additional teaching and coaching resources. The scope of this support will be determined by what the P&C is permitted to spend and the school's exact requirements.

- Grant – playground work to start later this year?
- We look forward to a fun Year 3 fundraiser 2020.
- Healthy School Canteen accreditation
- Band programme bigger and better

I'm very much looking forward to 2020, although I will only have one child at the school. We will continue to support the school in every way possible in the same way that Roseville Public School supports the P&C.

Lastly, a massive thank you to Jen Stephenson who has been a phenomenal clothing pool coordinator, and will be making way for Yen to lead our amazing fashion department.

Paul Nicholson

P&C President

Annual General Meeting/ General Meeting 21 Nov 2019

Principal's Report November 2019

It gives me great pleasure to deliver my final P&C report for the year. 2019 has been enormous. I have been so happy with the efforts and achievements of the students. I feel that we're in an excellent place with our teaching staff and, as always, our parents and community continue to provide incredible levels of involvement and support. There is no doubt that our community and school have changed in recent times and when that happens it's always interesting to see how levels of involvement etc. differ. In my honest opinion, in recent times, from my perspective, the community involvement and support has continued to grow and this has been fantastic to witness. As the myriad of associated research suggests, this is so important for the children's wellbeing and performance. I'd like to thank everyone for this result but, in particular, I'd like to make mention of the P&C Executive who have been really proactive and inclusive in this regard.

It seems a long time ago since our last meeting. So much has occurred at our school during that time. We do our absolute best to acknowledge and thank everyone for their efforts after significant events and initiatives but again I would like to say thanks so much to parents, teachers and wider community members for making the following major events a reality: School Spectacular; the RPS Fair; the internal painting of the Heritage Building; Kindergarten Orientation; Grandparents Day; Pedlars Parade, Year 2 Recorder Evening; Year 5 Leadership Day and Musicale.

During the last few weeks we'll also be enjoying the conclusion of the PSSA season; the annual RPS Volunteers Morning Tea; the Year 6 Tunnel and the culmination of our new Transition to High School program, The Roseville Rollout. Again, I'd like to thank everyone who is involved with these initiatives for their dedication.

Recently, I have been provided with an update with regards to our Playground Equipment upgrade. The job has now gone to a closed tender, which is being managed by the Asset Management Unit. We'll get a chance to review the proposal, prior to accepting and then the AMU are hopeful that the work will commence in the next holiday period.

Throughout 2019 our staff have worked hard to fulfil our targets contained within the 2018-2020 School Plan. As part of this process, in 2019 we have focussed upon the implementation of our school wide Writing program as well as embedding formative assessment throughout the school. Teachers have been exposed to some outstanding Professional Learning, led by Mrs Petrou which has upskilled them in using specific strategies and techniques to gauge cohort and individual student performance so they can differentiate their learning programs accordingly. It's been an exciting journey that we look forward to continuing in 2020. In addition, we will also be focussing upon continuing to increase our students levels of global awareness by continuing to focus and enhance our relationships with Bourke Public School and the Pararoos as well as forming another close relationship with a school in Sydney's South West. On a side note, please be aware that the Pararoos are playing their first home game in Australia for many years at Cromer Park on November 30. Due to our close partnership our school has been offered a large number of complimentary tickets. I know that people have a lot on at this time of year

but if you can make it please take the time to attend and support this wonderful team and further enhance the special relationship that we're gradually building. Mr Ferguson, who has been the driving force behind this initiative, will provide further details via the bulletin and class parents.

I would like to acknowledge and thank the members of the RPS P&C Executive as well as all of those people who have led or been involved with the myriad of committees involved within the P&C. The P&C and all of the committees have continued to thrive and develop and this is due to the amount of effort, thought and care that has been put into them. You've all done an amazing job for your local school and for your own and other peoples children. We know how many hours people invest in RPS and we're all truly appreciative of that commitment.

In particular, I would like to acknowledge two parents who are vacating their current long term leadership roles. To Jen Stephenson and Yen Phan, thank you so much for the extraordinary job you have done. You

ROSEVILLE PUBLIC SCHOOL
P & C Minutes
Annual General Meeting/ General Meeting 21 Nov 2019

have left both the Canteen and the Clothing Pool in wonderful places and we can't thank you enough for everything you have done in these areas over a long period of time.

I know there is still over 4 weeks of Term 4 to go but I would like to wish everyone a fantastic festive season and look forward to seeing those who are returning next year.

ROSEVILLE PUBLIC SCHOOL (RPS) BAND SUB- COMMITTEE P&C AGM BAND REPORT FOR 2019 Thursday 21st November 2019

Belinda Shearer – Band Convenor

2019 has been another exciting year for our program, our highlight being Musicale (our performing arts final event of the year) last week where all the bands and RPS choirs performed exceptionally well hosted by our amazing band captains - and the kids had a lot of fun. Summary for the year....

To date in 2019:

- Each concert band has a music educational plan specific to them and has covered in excess of 15 new and challenging charts
- Band camps, intensive days and school performances including the fair + competitions
- Oversaw the Razzle Dazzle talent quest for the fair with over 100 students auditioning
- Completed Year 2 blow tests for Junior Band 2020 and currently have over 70 enrolments which means that next year over 70% of Year 3's will be in band
- Commenced re-enrolments for our other bands and although we are losing some students to other schools, we expect our retention rate to be very high we all other students indicating in band that they are returning in 2020
- Purchased marching drums for our drum corps
- Appointed new conductors for 2020 (Senior and Intermediate Bands)
- Appointed a Band Director and Band Admin Assistant
- Revised Conductor contracts
- Sold off or donated old instruments and revised our instrument replacement plan (again)
- Re-written band handbooks & guides for 2020
- Revised our fee structure for bands and instrument hire to reflect our increased costs for 2020
- Re-located & catalogued our music library and created percussion trolleys for ease of set up (and the protection of the instruments)
- Commenced planning for a band tour and an additional music event within the school next year

Accounts

Jeremy Geale will present a summary of our accounts as part of the P&C Treasurers Report.

Conductors

We are excited to announce the appointment of our new Band Director Maddy Shearer with the full backing of the committee and P&C Executive. Maddy is a former RPS Band Captain and former RPS Conductor. She is a trumpet player and majored in Double Bass at WAPPA, and is currently completing a Master's in Education. She conducts and directs many local primary school bands including Seaforth PS, Mimosa PS and Castle Cove PS, as well as her work in the private sector. Maddy will also be conducting our Senior Concert Band in 2020.

Our Senior Band Conductor left us at the end of term 3 and we were lucky to have Ellie take up the slack as well as her role conducting Intermediate Band. Sadly, Ellie leaves us in a few weeks to take up work in London – but she does have tours booked in AU 2020 so we'll still see her around. She has been a hit with the kids and I'm sure they will miss her quirky music choices and costumes. Her expertise, professionalism, support and enthusiasm for the RPS bands will be a hard act to follow – but we have managed to secure the amazing Megan Lipworth to take our Intermediate Band next year. Megan has worked with our program previously and we feel she is going to be an awesome addition to the team.

ROSEVILLE PUBLIC SCHOOL
P & C Minutes
Annual General Meeting/ General Meeting 21 Nov 2019

Junior Band Conductors play a vital role in the success of the program as they lay the foundation for our Intermediate and Concert Bands and Gerald Steinmann and he will remain in this role. I'm sure anyone who attended Musicale will be amazed at how someone can take over 50 kids in Year 3 and mold them into young musicians who can not only read music and understand rhythms – they can perform with confidence and produce great music. Junior Band 2020 will be the largest ever Junior Band recorded for RPS.

Our Stage Band continues to be amazing under the guidance of Tim Ferrier, and he will continue with this group next year. Sadly, we say goodbye to Selena Courtness who has managed this group for the last few years. She is an awesome supporter and a wonderful person and we can't imagine how Tim will cope without her. Thanks so much Selena.

We farewell our faithful SB co-ordinators Sarah Jones and Anthea Saunders-Lang who have been in the role since JB.

Lucy Parker is doing an exceptional job with Wind Ensemble and will continue with us next year.

Gerald Steinmann will head up Drum Corps and we may have to start a second group next year due to popularity and numbers ! (apologies for the noise)

We are hoping to add Brass Ensemble to our extension groups in 2020.

2020 band fees

Our tuition fees still remain below many other local schools and our hire fees are probably the lowest. Any profits we do make go straight back into our program.

As our band grows so will our operational costs and our need for new instruments.

We are sensitive and mindful to the fact that we don't want members to be excluded from the band based on their inability to pay fees and reiterate that anyone struggling with fees can contact Mr Moran or the Band Director or myself in total confidence.

New instruments for 2020

In accordance with our instrument replacement plan, we will be ordering new instruments and cases for 2020. We have a need to replace / add to some of our more expensive items, we are currently re-structuring our replacement plans.

Co-ordinators and Volunteers

The success of the band is largely due to the dedicated parent volunteers. The program cannot be sustained without your ongoing support. The vast majority of our parent volunteers hold down full-time jobs outside of their home commitments. They are there first thing in the morning and packing away the band last thing in the day.

There are many elements to running a band – from band co-ordinators to selling tickets at Musicale.

We are having a band party and Christmas Concert on 6th December where the band will play holiday songs. This will give us the opportunity to thank all our parents and students and celebrate our best year to date! Also say goodbye to our Year 6's.

We must also mention our Band Liaison teachers this year, Michael Connelly and Melanie Galloway. Also Mrs Willard and the year 2 teachers for their enthusiasm during instrument testing. Tamara, Betsy, Sue and all the girls in the office, Suzie for putting up with drum corps in the library, and of course Mr Moran and Ms Lane.

There would be no band program without the commitment and total support from the school executive and teaching teams.

We will miss those who are leaving us this year. We have appreciated all your input and support this year.

Plans 2020

Proposed objectives for RPS band program:

- Engage and retain students – to make Band fun for all
- Strive for improvement at performance level and enjoyment level
- Ensure the Band program is financially viable (accounts)
- Look for further storage solutions for our instruments and music
- Initiate / increase performance opportunities and possibly a band tour
- Nurture love of music for all students
- Ensure the program remains open and accessible to all families

This year we had 137 kids in band – next year we are expecting between 170 – 192 which will make it our biggest year ever in band !

We look forward to a fantastic 2020.

CANTEEN REPORT - TERM 4 – AGM P&C Meeting 21/11/2019

Canteen 2019 overview:

- Our new employee Olivia is a really great addition to the canteen.

- It has been a busy year of canteen, with an extra day of operation which is Tues. We see lots more online orders. The way we also introduced Late lunch orders give parents a peace of mind because they can order sandwiches, fruit or drink up to 1pm. Parents and canteen staff are used to the new system, and everything runs quite smoothly.

- We try to do special events throughout the term including canteen special day. This term, for Halloween we made close to 250 “The witch’s finger” cookies, and they were sold out. I’m still thinking about an idea for making something special for Christmas, and then sausage sizzle for the last Fri of this term.

- New(ish) menu item – Bolognaise Pasta Bake, and Bean Brownie. Right now we have quite a good range of healthy hot food to choose from, each canteen day. I’m quite satisfied with the responses from the children (as well as parents) on our new menu items.

- Lastly, as of Term 1 2020, I will resign as canteen convenor, so we are looking for a new person to assist Paul Vandeleur with canteen business.

Upcoming Events:

- Christmas specials.

- Sausage sizzle on 13/12.

CLOTHING POOL UPDATE

Nov 21st, 2019

- WOW...what a Term! Term 4 is one of Clothing Pools busiest times of the year with Kindergarten Orientation, annual stock arrivals and the seasonal student transition into summer uniform
- Kindergarten 2020 is now dressed and ready for school. Kindy Pack sales exceeded our 2019 kindy pack sales, with an estimated \$25,000 of stock sold over a 2 day orientation period.
- The new girls summer shorts and blouse uniform option has finally arrived, and are now in store! Early sales of the uniform leaves Clothing Pool confident it will be a successful alternative to the girls summer dress
- Year 6 Signature Bears and Balls have arrived, and are currently being prepared for purchase and distribution following the Year 6 disco. Pre-orders were taken at the end of Term 3 so not to overstock items unnecessarily
- Last year saw the introduction of the 'Year 6' patch. This year we have redesigned the patch, and believe the Year 6 2020 will absolutely love them
- Clothing Pool is still in development with a supplier to redesign all PSSA uniforms. A design pack will be presented to Mr Moran, to determine if and when the PSSA uniform is ready to be updated
- Moving forward Clothing Pool is working on the following exciting project;
 - o Clothing Pool renovation 2020
- Finally, this will be my last formal commitment as the Clothing Pool coordinator for Roseville Public School. The fabulous Yen Phan will officially take over as coordinator in January 2020. My last day in Clothing Pool will be Tuesday 17th December, 2019.

2019 RPS Spring Fair – Final Report

The fair was held on 14 September 2019. The weather was fine and warm and the event was a big success, both socially and financially.

There are so many people to thank and acknowledge for their contributions towards making the fair the extraordinary success that it was, so please see the text from our post-fair newsletter below.

Below is an additional finance summary setting out the main financial results. Overall, the net profit was \$64,225.74. A \$59,350K target was set at the beginning of 2019 by the P&C. This target included figures for class artwork and sponsorship and took into account the fact there would not be a separate major fundraiser in 2019.

Approximate profit figures for each major area were as follows:

- Raffle Tickets & Silent Auction Sales (including class artwork) - \$25,500
- Unlimited Rides, Side Show Alley, Nerf Wars, Petting Zoo and Moneybands profit after cost of hiring all equipment from Planet Entertainment and other providers - \$15,500
- Class Stalls and Kids Zone - \$10,600
- Sponsorship and external stalls total - \$9,000
- Food and Drink Sales including Great Aussie BBQ, Rosie's Food Truck, International Food Stall, Coffee Cart and Snow Cones - \$7,400

Please note that money band sales are recorded under Moneybands profits rather than under stalls at which the money bands were used as it was not possible for the fair treasurers to allocate the money band expenditure to stalls. Also note that the above costs don't account for general fair running costs and expenses. Most importantly, the fair seemed to be a really positive community event for our school and we have received many thanks and compliments on the whole event.

All of the businesses who donated have been thanked. The major sponsors have all been acknowledged and we believe they were happy with their involvement. Thanks have also been given to the community groups who donated time as well as the performers who participated in the entertainment programme.

Thank you everyone for making it such a memorable day for our school community. Thank you

Roz Akayan, Paul Nicholson and Paul Vandeleur

Text from Post-Fair Newsletter: What a Wonderful Day!

Fair Day dawned with clear blue skies and the school was already bustling by 8 am, with the coffee cart doing a roaring trade, the Great Aussie BBQ serving bacon and egg rolls, Rosie's providing delicious breakfast quiches and muffins, and rides and stalls being set up everywhere.

Throughout the day, there were loads of fun rides, games and activities on offer. The inflatable rides, sideshow alley, Nerf Wars and petting zoo were all hugely popular, as was the Kids Zone, with crazy hair, tattoos and gemstones, face painting, plaster art and lantern-making.

ROSEVILLE PUBLIC SCHOOL
P & C Minutes
Annual General Meeting/ General Meeting 21 Nov 2019

We had mouth-watering food available from the International Food Stall, Rosie's and the Great Aussie BBQ, a great variety of stalls, amazing raffle and silent auction prizes and an incredible programme of entertainment.

There was a fantastic vibe, with the whole community coming together to celebrate, including many past students and their families coming back to share the day with us. It was wonderful to see our school so colourful and busy, and there were happy and excited kids and families everywhere.

Of course, none of this could have happened without a huge amount of help from everyone in our school community and we'd like to thank everyone who contributed to making the day a success, whether running stalls and activities, baking, jam-making, donating to stalls, buying and selling raffle tickets or signing up for a shift on the day.

We also have many many people to thank for their specific contributions, starting with our finance team of Matt Davis, Glen Christie and Jeremy Geale, who spent pretty much the whole day inside making sure that everyone's hard work was properly accounted for.

We were entertained all day long by wonderful performers including our own talented school bands and groups (4 school bands, 2 choirs and our wind ensemble, drum corps and dance group), our dad's band, bands from Lindfield East Public School and Killara High School and the Northside Concert Band and performances from Sydney Dance & Gymnastics and Trifu Dojo. Roseville's Razzle Dazzle was a key highlight with amazing performances from our incredible finalists. A big thank you to our judges Jacki Cooper, Arnold Andrews and Taryn-Lea Bright. Thanks also to Dick Smith AC for returning to his old primary school to draw our raffle! And thank you to Chinese Youth League Lion & Dragon Dance Australia (CYLLADA) for providing a fantastically entertaining lion dance as our grand finale! Also thanks to Belinda Shearer, Melissa Munn and Yen Phan for arranging for our judges, Dick Smith and CYLLADA to attend.

A special thank you to Brett Kensett-Smith and Belinda Shearer for being our wonderful MCs, and to all the community groups and businesses who helped on the day, including Roseville Scouts (who ran the Information Desk), the team from St Andrew's Anglican Church (who helped on the Information Desk and kept our toilets and grounds clean), the Fire Brigade, St John's Ambulance, Roseville Golf Club (who provided our mini golf activity), Roseville Kids Care (who provided the face painting stall), A Bright Beginnings Early Learning Centre (who provided the plaster art stall) and Festival Hire (who provided our stage, market stalls and equipment at heavily discounted prices).

Thank you to all the RPS staff for their support of the fair, including all teachers who helped with stalls and activities on the day. In particular, we would like to thank Mr Moran and Ms Lane for general support and assistance and for carrying out all the cash pick ups on the day, Mr Clegg for putting in a lot of extra hours during the week and on the day of the fair and Mrs Bottomley for photography and help with the book stall!

Thank you to Melissa Munn for raising sponsorship for the fair and for providing plentiful and much-needed advice, to Belinda Shearer and Kate Habkoux for organising our entertainment programme and Roseville's Razzle Dazzle, to Yen Phan for producing all of our wonderful fair newsletters, to Emily Lewis for running a very well-managed and effective external marketing campaign, to Emily Stott for managing internal communications, to Ronald Eilering for designing numerous logos, posters and templates for the fair, to Aeron Caulfield for creating the fair sections of the P&C website and keeping

track of all online payments and to Brett Kensett-Smith for organising and operating sound equipment for the day.

Thanks also to our very hard working stall and activity leaders who all did an amazing job:

Kindy (Gourmet Goods, Cakes and Books) – Kristina Yu, Amy Parkinson-Bates, Bridget Leslie, Symone Archer and Lisa McCallum

ROSEVILLE PUBLIC SCHOOL
P & C Minutes
Annual General Meeting/ General Meeting 21 Nov 2019

Year 1 (Kids Zone and Snow Cones) – Emma Brickacek, Lyndal Tacon, Fiona Loveridge, Anna Simamora and Nicola Falconer

Year 2 (Great Aussie BBQ) – Erin Jabour, Emily Lewis and Melanie Whitby

Year 3 (Raffle, Silent Auction and Class Artworks) – Simone Farlow, Shannon Klein, Claire Macdonald and Rachel Davidson

Year 4 (Rides, Games, Petting Zoo, Ticketing and External Volunteers) – Sonja McCarthy, Val Maguire, Jen Stephenson, Jenny Mitchell and Tanya Bortz

Year 5 (Rosie's Cafe and Coffee Cart) – Amber Byrnes, Felicity Symons and Sinead Hatton

Year 6 (Wine, Tombola and Lollies) – Stewart Hughes, Alisa Higgins, Sophie Thomas and Nicole Fleming

International Food Stall – Carmen Yang, Bo Qi and Sachiko Rowley

Apologies if there is anyone we have missed! The fair was a huge team effort which almost everyone has contributed to in some way, and we are incredibly grateful for all the work that everyone has put in. We're very lucky at RPS to have such a generous community!

RPS Fair Convenors – Roz Akayan, Paul Nicholson and Paul Vandeleur
